RBI denies default data access to Sebi

Cites sensitive nature of information on its database

SHRIMI CHOUDHARY

he Reserve Bank of India (RBI) has expressed disagreement over the Securities and Exchange Board of India's (Sebi) proposed framework enabling

ng agencies (CRAs) to legally access bor-

agencies (CRAs) to legally access bor-rower database, helping them in timely recognition of default.

A panel of financial regulators, including the Pension Fund Regulatory and Development Authority and the Insurance Regulatory and Development Authority of India as well as the RBI and Sebi, met last month and dis cussed a proposal to give CRAs limit-ed access to the RBI's Central Repository of Information on Large Credits (CRILC).

The CRILC is a borrower-level

set focusing on systemically impor-

set focusing on systemicany mipor tant credit exposures.

Banks report to the CRILC credit information on all their borrowers having aggregate fund-based and non-fund-based exposure of₹50 mil-lion and above. lion and above. Sources said the central bank had

Sources said the central bank had cited sensitivity and confidentially issues for allowing third-party access to large credit data information. The RBI had also assured that it would ask lenders to improve the information sharing under the current mechanism of Credit Information Company (CIC). Currently, the rating agencies can

access the CIC that is an independent, third-party institution collecting financial data regarding loans, cred-it cards, and more about individuals

and standards within sime interliefs latistic and non-bankling financial institutions usually take data from the CLC. It is not rapid, clean and accurate. The market regulator said there tons usually take data from the CLC. It is not rapid, clean and accurate. The market regulator said there have been usually take data from the CLC. It is not rapid, clean and accurate. The market regulator said there was a substantial difference in the detail contained to the control of the control

and shares it with its members. Banks and non-banking financial institutions it is not rapid, clean and accurate.

Sebi says rating cannot be decided on the CIC, as it does not have real-time data

RBI says access to

given to a third

party as information was sensitive

access to the RBI's repository

Regulators raise

cies and the one available with the CRILC. Even the central bank has raised this concern over divergence in default rates identified by the CRAs

default rates identified by the CRAs and the CRILC.

Banks are mandated to provide all updates about borrowers to the RBTs repository. But, the lenders have been reluctant on sharing the same with CRAs due to their confidentiality clause with the said borrower," said the source cited above.

To address this, Sebi recently amended its regulations on rating agencies by adding a clause in the agreement between an issuer and a rater to provide an "explicit consent" from the issuer to obtain information related to loans, repayment, delay, etc. from banks or other lending institutions. Sources said banks are miffled tutions, Sources said banks are miffed with this amendment as giving individual borrower data is a tedious job which would increase their workload. The RBI, too, is not willing to allow

banks to give individual credit account information.

Amid surging cases of debt defaults including in IL&FS, the role defaults including in IL&FS, the role of rating agencies have come under the regulatory glare. The market regulator has been making constant changes in the CRA rules for better monitoring and improving performance. CRAs have been complaining they are dependent on the information provided by the borrowers as banks never disclose borrowing and lending information.

In 2017, Sebi had proposed it make it mandatory for listed companies to

In 2017, Sebi had proposed it make it mandatory for listed companies to make disclosure of their loan defaults to the stock exchanges if they fail to make repayment of dues and interest within 24 hours. However, the proposal was then turned down by the government, as the central bank was of view that banks would need anoth-

Ready to mediate if India, Pak agree: Trump

Says Modi's 'very aggressive statement' at Houston rally was 'well received'

PRESS TRUST OF INDIA New York, 23 Septembe

Describing himself as "an extremely good arbitrator", US President Donald Trump said on Monday that he was ready to mediate between

ready to mediate between Pakistan and India on the Kashmir issue, but both sides have to agree on that.

Trump made the remarks during his meeting with Pakistani Prime Minister Imran Khan on the sidelines of the UN General Assembly session here.

session here. "If I can help, I will certainly help," Trump said, describing the Kashmir issue as a "complex" one which has been going on for a long time. "If both (Pakistan and

India) want, I am ready to do it," he said, a day after attending 'Howdy, Modi!' rally in Houston, where he shared the stage with Prime Minister Narendra Modi and displayed a close friendship

"At any point of time, I would be an extremely good arbitrator," he said.

arbitrator," he said.
Trump praised the
'Howdy, Modil' mega rally in
presence of Khan and said he
has heard a "very aggressive

"It was very well received thin the room," Trump with

said, referring to the gather-ing of 50,000 people at the NRG stadium in Houston. At the rally on Sunday, Modi hit out at Pakistan for

its support to terrorism and said India's decision to nulli-fy Article 370 has caused trouble to those who cannot handle their country as he called for a "decisive battle" against terrorism.

against terrorism.

During his press interaction alongside Khan, Trump repeatedly snubbed Pakistani reporters and on one occasion even asking one of the journalists whether he is part of the Pakistani delegation. Where do you find reporters like these," Trump asked Khan in response to a question posed by a Pakistani journalist on Kashmir.

Khan, who has declared himself an ambassador of Kashmiris, on Sunday briefed US lawmakers, scholars, human rights activists

ars, human rights activists and the media on the reper-cussions of India revoking the special status of Jammu and Kashmir on August 5.

Trump and Khan last met
in July at the White House.

During their first one-on-one interaction, the US president had expressed his willing ness to mediate between India and Pakistan to resolve the Kashmir issue -- an offer India rejected.

India rejected.

During Modi's meeting with President Trump on the sidelines of the G7 Summit in France last month, the prime minister categorically rejected any scope for a third party mediation between India and Pakistan on the Kashmir lessen.

Kashmir issue.

"All the issues between
India and Pakistan are of India and Pakistan are of bilateral in nature, and we don't want to trouble any third country. We can discuss and resolve these issues bilaterally," Modi had said. On his part, Trump had said he and Modi spoke about Kashmir "at great length" during the G7 Summit and he feels that both India and Pakistan can resolve it on their own.

Modi pledges to more than double India's non-fossil fuel target to 450 GW

Prime Minister Narendra Modi on Monday gave a clarion call for a "global people's movement" to bring about a behavioral change to deal with climate change as he made a path-breaking pledge to more than double India's non-fos

mact in Judit videxima, jurcey demore than double India's nonstifuel tanget to 450 gigswatts (CW).
In his Independence Day
speech, Modi had announced that
India' will produce 175 GW of nonfossil fuel as part of its commitment to the Paris Climate agreement. Monday's amouncement
during Modi's speech at the global
climate summit goes well beyond
the pledge of 175 GW. It comes a
day after Modi and Trump shared
the stage at a gale event in Houston
on Sunday and displayed a close
friendship and a common vision
on flighting terrorism.
Trump withdrew from the Paris
climate deal in 2017 and blamed
India and China for his decision,

India and China for his decision saying the agreement was unfair as it would have made the US pay for nations which benefited the most from the deal. PTI

Manmohan calls on Chidambaram: Hope courts will do justice

The Congress on Monday threw its full weight behind

threw its full weight behind party leader P Chidambaram, underscoring that it believes the former Union finance minister was a victim of "political vendetta" and not involved in any corruption, with former prime minister prime minister Manmohan

Singh(pictured) and Congress president Sonia Gandhi meet-ing him at Tihar Jail. Singh and Sonia Gandhi met Chidambaram

lodged in Tihar Jail since September 5 in connection with the INX media case, along with his son and Lok Sabha member Karti Chidambaram. The meeting lasted its permitted duration

of half an hour.

In a statement issued later in the evening, Singh said the party is "concerned with continued detention in custody" of their colleague. The former prime minister said, "We are confident, and we sincerely hope, that the courts will ren-

courts will render justice in this case."
"In our system of government, no decision can be taken by any single person.
All decisions are collective decisions record-

ed in files. A dozen officers, including six secretaries to the government, examined and recommended the proposal.

Thailand India to Boost Trade Relations

Department of International Trade Promotion, Ministry of Commerce, Thailand, welcomes Mr. H E Jurin Laksanawisit, Deputy Prime Minister Minister of Commerce, Thailand, to inaugurate Thai Indo Business Networking (TIBN)

Thailand marks a new era of trade relationship with India. DITP. Thailand is organizing a Business meeting session where the Thailand companies will be meeting interested Indian traders and industry communities to opportunities.

The Deputy Prime Minister

delegation representing various industries- Rubber Rubber Wood, Construction and Logistics. To meet the increased demand in Indian market Tapioca Starch exporters will also be present.

The Deputy Prime Minister will be signing several MOUs and trade

India has always been one of the crucial trade economies for Thailand. We have much more to explore in terms of products which can become important trade areas

agreements with many Indian entrepreneurs and business heads to give a boost to economic ties between the two nations.

It is quite interesting to know that Thailand is the world's largest exporter of Rubbe

and Rubber W o o d . Keeping in mind the demand in the Indian market for sustainable living and furniture requirements, companies will

Various sectors are opening new doors for the same, Tapioca Starch being one of them, as it is on elf the primary export product of the country. To give further momentum to the trade relations, sectors like Construction, Logistics will also participate to explore further avenues.

Thailand is one of the Thailand is one of the preferred trade partners for India and vice-versa. The two-way trade in 2018 totaled the US \$12.46 billion with US\$7.60 billion in Thailand exports to India and US\$4.86 billion in Indian exports to Thailand. The trade between the two nations has grown at least 60 percent since 2016 and in ASEAN, Thailand now ranks as India's fifth-largest trading partner

At TIBN, the Indian and Thailand companies will get the platform to have great business interactions and the opportunity to take trade relations to the next level, right here in Mumbai.

Panel suggestion on corporation tax different from FM's formula

DILASHA SETH New Delhi, 23 September

he corporation tax rate structure recommended by the task force on direct tax laws was a bit differ-

direct tax laws was a bit different from what was announced by Finance Minister Nirmala Sitharaman last week.

The panel, headed by central board of direct taxes (CBDT) member Akhilesh Ranjan, also recommended 25 per cent corporation tax rate for companies, but without surharme and consequences of the companies charges and cess, sources said.

Sitharaman on Friday had Sitharaman on Friday had announced 22 per cent rate for companies. Adding surcharges and cess, this becomes 25.17 per cent against the current rate of 34.94 per cent. Sources said the panel recommended doing away with cess and surcharges to make corporation taxes a clean structure.

structure. Besides, the panel wanted

IN A FIX?

■ Panel on direct tax laws recommends 25% corporation tax rate, doing away with cess and surcharges

■ This is slightly different from new corporation tax rate structure

■ New structure savs 22%

the other hand, the finance minister had announced it for companies not availing exemptions such as tax holi-days enjoyed by units in specorporation tax rate, which es to 25.17% after cess

■ The panel also wants 25%

and surcharges

tax for all companies

The new structure is for only those companies not enjoying tax exemptions

The original task force on direct tax laws, constituted by the Modi government, had proposed a 15 per cent corporation tax rate across the board.

That panel, headed by former CBDT member Arbind Modi, had proposed that this reduced rate be complemented with changes in accountaged. cial economic zones (SEZ) or accelerated depreciation.

The panel wanted that the exemptions may continue till they are phased out, accorded with changes in accounting procedures, and modifi-cation in the rule for source of income.

ing to the existing road map.
According to the new structure, those not availing of the
reduced rate due to exemptions they enjoy, can opt for the
reduced rate once the sunset
clauses on the exemptions end.
The Friday ordinance also

The Friday ordinance also talked about reduced rate of 15 per cent for those companies that would be incorporated from the next month and start production before March 31, 2023. These companies are not required to pay minimum alternate tax (MAT):

The original task force on

Not all members of the Modi panel signed on the rec-ommendations because of which the new task force under Ranjan was appointed. Some people say the corpo-ration tax rate cut will only

ration tax rate cut will only address supply side issues, whereas the problem was demand side slowdown. They wanted that the overall report of the task force be reviewed and implemented, including its recommendations on personal income tax rates.

"Instead of piecemeal implementation the overall medium procession."

implementation, the govern-ment should implement the

ment should implement the DTC report as a whole, which addresses all issues, while also ensuring that revenues are protected," said an expert. The new corporation tax rates cut would hit the exchequer by VLAS trillion a year. The expert added that a cut in personal income tax would have addressed the demand side problem too, by giving more income in the hands of the people.

'Benefits on supplies from DTA to SEZ unit linked to payment in foreign currency

T N C RAJAGOPALAN

Our customer in the US has asked us to deliver or

Our customer in the US has asked us to deliver our goods to a SEZ unit and agreed to pay us in foreign currency. Will this be considered as export for the purpose of drawback and other incentives?

As per Rule 24(3) of the SEZ Rules, 2006, "drawback or any other similar benefit under the Customs and Central Excise Duties Drawback Rules, 2017, as amended from time to time, against supply of goods by Domestic Tariff Area supplier shall be admissible where payments for the supply are made from the Foreign Currency Account of the Unit". As per Para 4.2(iii) of FTP, "export to SEZ Units shall be taken into account for discharge of export obligation." discharge of export obligation provided payment is realised from Foreign Currency Account of the SEZ unit."

Also, as per Para of 5.11 of HBP, "realization in case of supplies to SEZ units shall be from foreign currency account of the SEZ unit." filled on your case.

We are re-importing some material exported earlier. We had claimed MEIS and have utilised it. So, we have to surrender that benefit, as per Para 3.24 of HBP. After import, as agreed with the buyer, we will send new terial to the buver, as replacement. As payme

replacement. As payment was received earlier, the replacement will be exported under GR Exemption. How to reclaim MEIS on the replacement exports, when there will be no fresh payment against the new shipping bill?

I am afraid you surrender the benefit you took and can't get benefit you took and can't get the benefit on free replace-ment. This problem is not addressed under any of the current instructions or provi-sions. You may write to the DGFT and seek suitable dis-

We want to import air lift platforms on lease basis and send it back. Is there any exemption and if so, what are the conditions?

You may refer to notification 72/2017-Cus dated August 16, 2017, for the exemption and the conditions for temporary import of goods on lease basis.

The finance minister announced on September 14, 2019, that for textile sector MEIS + old RoSL will continue till December 31, 2019 and then be replaced with the Scheme of Reimbursement of Duties & Taxes on Export Products (RoDTEP). We are as the old RoSL scheme was replaced with a new RoSCTI scheme with effect from March 7,2019. Can you help u

We want to export goods to

few of our overseas clients, where prices are not fixed where prices are not fixed and can be finalised only after shipment. Can we export the goods and then settle the matter through debit and credit notes? When the price is not fixed at the time of export, you may seek provisional assessment in accordance with Section 18 in accordance with Section 18 of the Customs Act, 1962, and get the final assessment ship-ping bill done upon finalisa-tion of the price.

Corporation tax cut could impact power bill

The Union government's decision to cut corporation tax is expected to generate savings worth ₹4,000 crore for power distribution companies.

savings worth \$4,000 crore for power dis-tribution companies.

Whether the savings will mean cheaper power or not, however, will be pend on a host of regulations. The source of power, renewable or non-renewable, and the nature of the market, regulated or merchant, will be a factor governing whether the cost would go down. Conventional power producers are expected to have limited gains from the arx our hecanies power-purchase agreetax cut because power-purchase agree-ments (PPAs) require them to pass on tax changes. Renewable power produc-ers, however, may be able to absorb the change and benefit from the reduction.

the tax cut to the procurer or not depends on the terms of the PPA in place. In renewable energy, where the commonly used agreements do not adjust for used agreements do not adjust for change in tax, producers benefit from the cut, although this may be partly lost in the various impacts they after such as from past tax hits, back-down and delayed payments." said Kameswara Rao, partner with PwC India. According to an ICICI Securities Research note, the impact of these cuts is likely to be positive for the power sector because cash flow for the printing value.

chain will improve. "The biggest benefi-ciaries will be discoms, where annual savings resulting from the cut are esti-mated at ₹4,000 crore," said the note dat-

ed September 22. Rao added: "Across the regulated util-

ities space, tax cuts will get passed on to consumers in the next tariff review whenever it comes up. The discoms, however, can ask for the savings to be used for adding capacity or upgrading infrastructure, and the reduction may not directly come to the end customer.*
ICICI Securities said of power producers: "As most companies are currently under MAT, asmall amount related to tax on incentives and other income will be retained by the companies on cost-plus basis while tax benefit on core income will be passed on." Based on these savings, ICICI Securities expects NTPC earnings to increase by 250 crore from the current financial year onwards. "Impact on other companies such as JSW "Impact on other companies such as JSW Energy and CESC will be negligible as more than 80 per cent of their profits come from regulated businesses, which

will be passed on to the consumers," the note added.

Gains owing to the tax cut in regulated transmission, too, are expected to be limited. Analysts with Motilal Oswal have listed Power Grid Corporation as a Nifty company with the least earnings revision due to the tax cut. The analysts expect Power Grid Sprofit to see a revision of just Oap recent. Coal India, India's largest coal producer, may see significant savings. "Coal India was inthe highest tax-paying bracket with an effective tax rate of 36.50 per cent in F19. There will be a significant increase in the PAT with its seffective tax rate of 36.50 per cent. with its effective tax rate now reduced to

with its effective tax rate now reduced to 25.2 per cent," the note said. With no regulatory obligation to pass on the benefit and in the absence of com-petition, Coal India can choose what it wants to do with its savings.

SBI to link credit for medium units to repo rate

The State Bank of India (SBI) will link pricing of credit for medium enterprises to the reportate from October 1. This is in addition to the mandatory linking of retail, home, and MSME loans to reportate. It will voluntarily extend benchmark-based lending to medium enterprises to boost lending to the MSME sectors a whole, the SBI said.

Prashant Kumar, chief financial officer and loss of the MSME sectors as whole, the SBI said.
